

230x229

The diagram shows two overlapping rounded rectangular shapes. The left shape is larger and has a dimension label '137x229' centered within it. The right shape is smaller and has a dimension label '90x182' centered within it. The top-right corner of the left shape overlaps with the top-left corner of the right shape. The labels '230x229' and '90x182' are positioned at the top-right and bottom-right corners of the right shape, respectively.
